

George's Brook-Milton Habitat Stewardship Agreement

The Town of George's Brook-Milton and the Government of Newfoundland and Labrador signed a **HABITAT STEWARDSHIP AGREEMENT** in April 2023, committing to the conservation and enhancement of wildlife habitat within the town's planning boundaries.

The agreement designates George's Brook, Ryder's Brook and George's Pond Watershed as Conservation Areas, totaling 4,500 acres (1,821 hectares).
