PORTUGAL COVE – ST. PHILIP'S Habitat Conservation Map

Your town conserves wildlife habitat!

Your town protects 3 rivers, can you see them? They are marked with a star! ⭐

Can you circle your school and find your house?

Can you circle the closest <u>protected</u> <u>habitat</u> (green blobs) to your house?

Common Tern — American Crow — Great Black-backed Gull — Black-legged Kittiwake

All bird illustrations by David Allen Sibley, from audubonsociety.org; All graphics from freepix.com

Habitat Conservation and YOU

Say Hello to SAM

Stewardship Association of Municipalities works with **your town** to help conserve habitat for animals, birds, fish, plants, and you!

Habitat: is the natural home of plants, animals, and other organisms

Conservation: is the protection of the natural environment including its plants and animals

I help conserve habitat because…
