

Corner Brook Habitat Conservation Map

Your town conserves wildlife habitat!

Do you know the roads marked with a star?

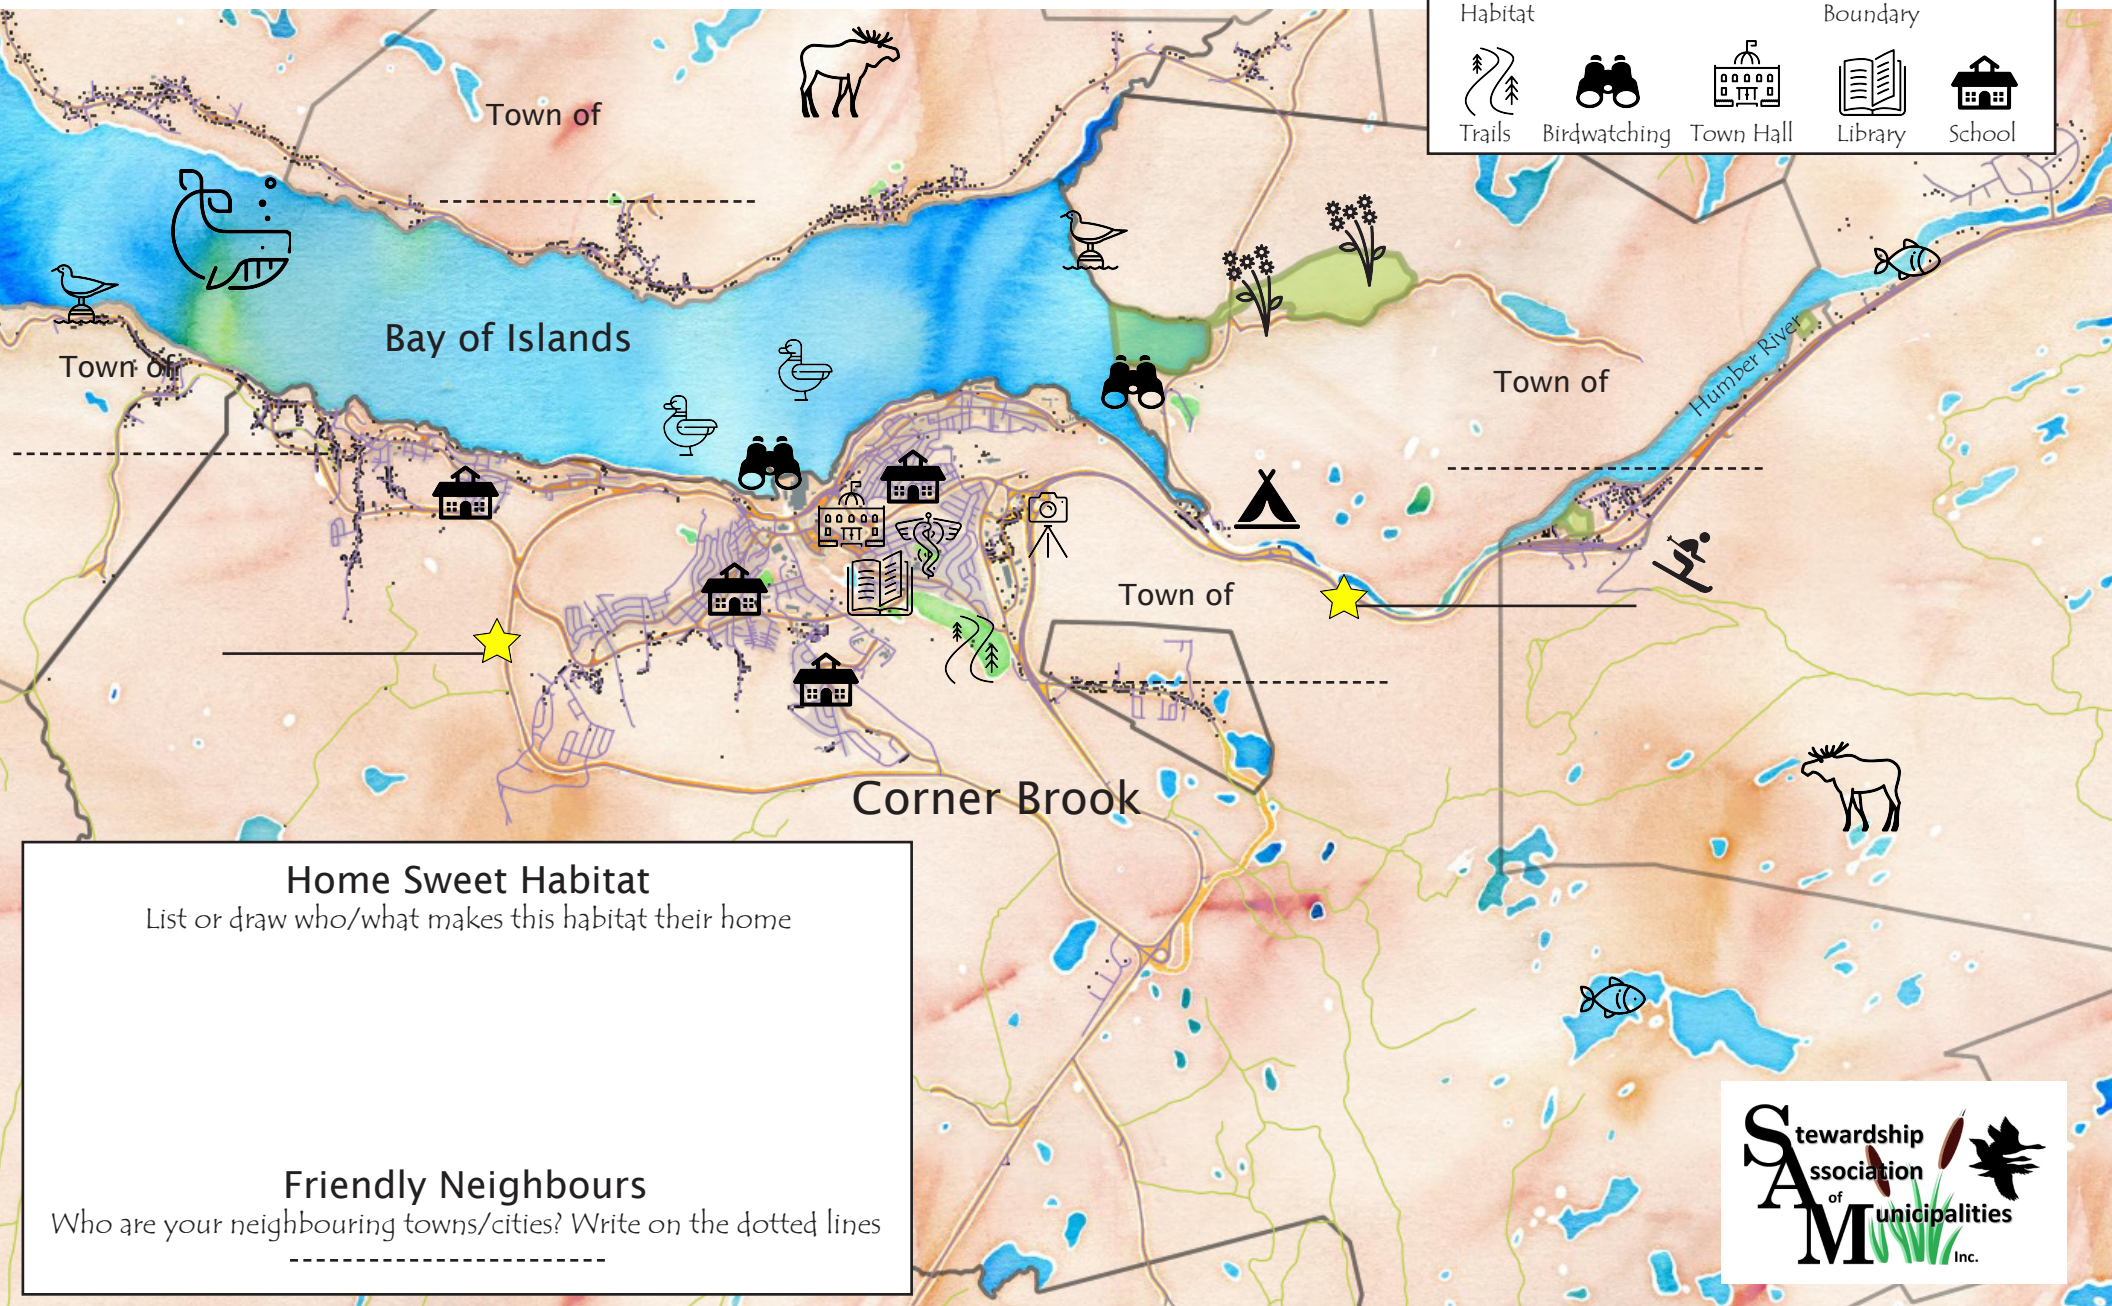

Can you circle your school and find your house?

Can you circle the closest protected habitat (green blobs) to your house?

Fill in the road names! ★

Habitat Conservation and YOU

Say Hello to SAM

Stewardship Association of Municipalities works with **your town** to help conserve habitat for animals, birds, fish, plants, and you!

Habitat: is the natural home of plants, animals, and other organisms

Conservation: is the protection of the natural environment including its plants and animals

I help conserve habitat because...
