

# Deer Lake Habitat Conservation Map

## Your town conserves wildlife habitat!

Do you know the roads marked with a star?

Can you circle your school and find your house?

Can you circle the closest protected habitat (green blobs) to your house?

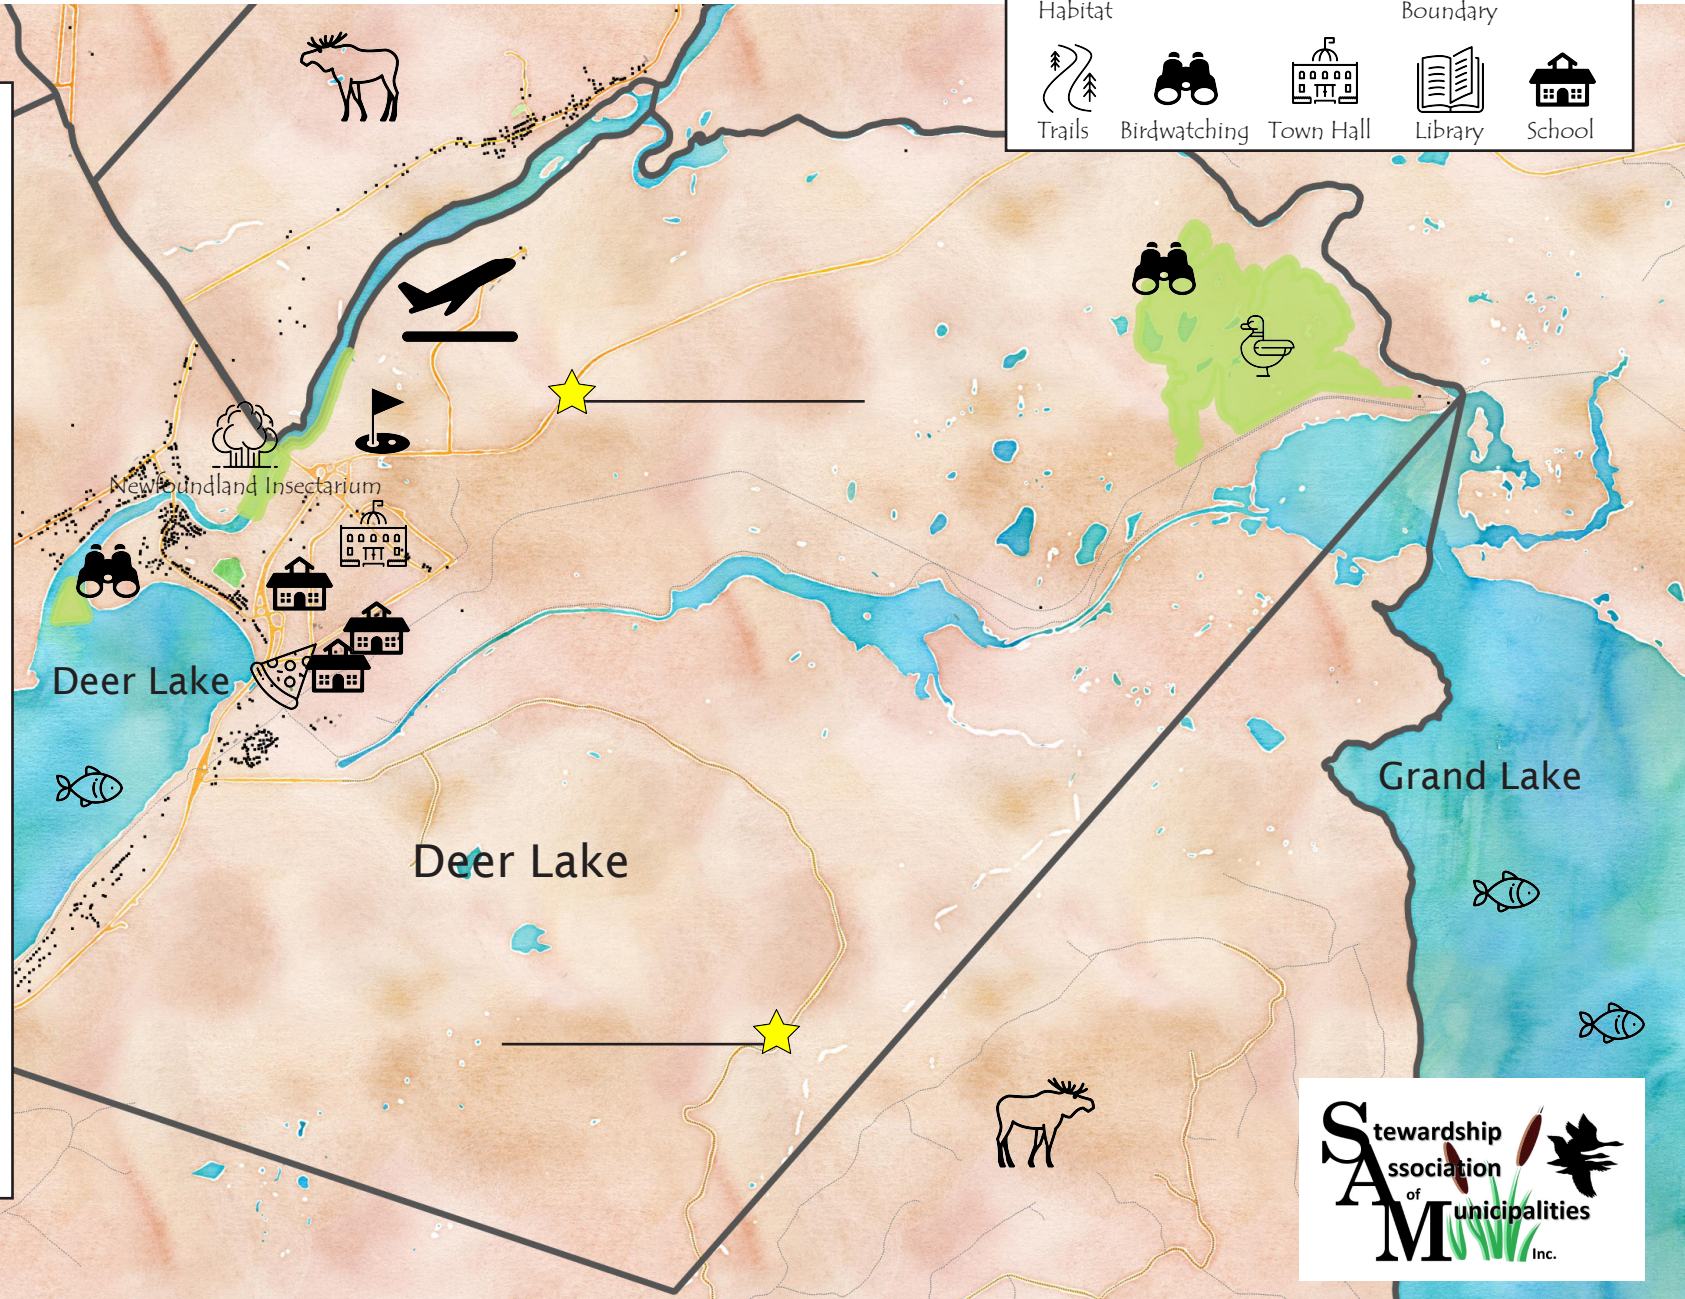

Fill in the road names! ★

### Map Legend

### Home Sweet Habitat

List or draw who/what makes this habitat their home

# The S in SAM is for Stewardship!

Stewardship means to take care of the environment

## Stewardship Checklist:

- |   |  |
|---|--|
| <input type="checkbox"/> Walking a Trail        | <input type="checkbox"/> Birdwatching            |
| <input type="checkbox"/> Finding a Geocache     | <input type="checkbox"/> Picking up Litter       |
| <input type="checkbox"/> Talking about Wetlands | <input type="checkbox"/> Reading about Wetlands  |
| <input type="checkbox"/> Recycling              | <input type="checkbox"/> Composting              |
| <input type="checkbox"/> Learning a Bird Call   | <input type="checkbox"/> Keeping Pets on a leash |

# Habitat Conservation and YOU

## Say Hello to SAM

Stewardship Association of Municipalities works with **your town** to help conserve habitat for animals, birds, fish, plants, and you!

**Habitat:** is the natural home of plants, animals, and other organisms

**Conservation:** is the protection of the natural environment including its plants and animals

### Birdwatching List

Circle the birds you have seen in your town

American Black Duck

Green-winged Teal

Common Goldeneye

Lesser Scaup

Dark-eyed Junco

Fox Sparrow

Yellow-rumped Warbler

Black-capped Chickadee

American Coot

American Crow

Great Black-backed Gull

Black-legged Kittiwake

I help conserve habitat because...
