

Labrador City Wetland Habitat Stewardship Agreement

Town of Labrador City, Newfoundland and Labrador, Canada

The Town of Labrador City and the Government of Newfoundland and Labrador signed a **WETLAND HABITAT STEWARDSHIP AGREEMENT** in March 2005, committing to the conservation and enhancement of wildlife habitat within the towns' planning boundaries.

Within a larger stewardship zone, 9 Management Units cover approximately 2,997.9 acres of wetland habitat and includes Beverly Lake, Lac Viot, Little Wabush Lake, Ironstone River, Pike Lake North, Strawberry Lake, Tamarack Creek, Wabush Narrows and Walsh River.
