

The S in SAM is for Stewardship!

Stewardship means to take care of the environment

Stewardship Checklist:

- | | |
|---|--|
| <input type="checkbox"/> Walking a Trail | <input type="checkbox"/> Birdwatching |
| <input type="checkbox"/> Finding a Geocache | <input type="checkbox"/> Picking up Litter |
| <input type="checkbox"/> Talking about Wetlands | <input type="checkbox"/> Reading about Wetlands |
| <input type="checkbox"/> Recycling | <input type="checkbox"/> Composting |
| <input type="checkbox"/> Learning a Bird Call | <input type="checkbox"/> Keeping Pets on a leash |

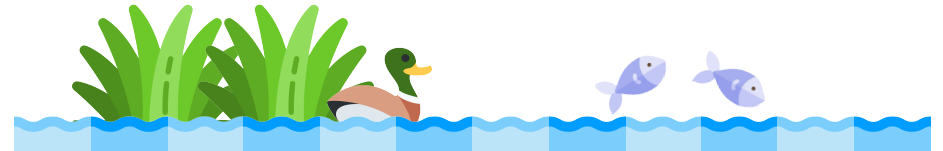

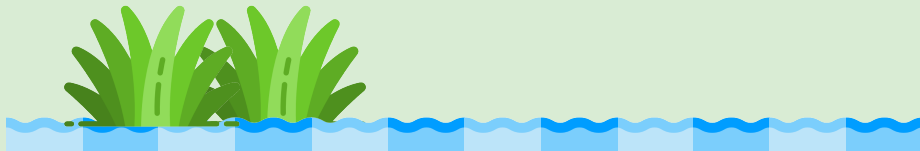

Habitat Conservation and YOU

Say Hello to SAM

Stewardship Association of Municipalities works with **your town** to help conserve habitat for animals, birds, fish, plants, and you!

Habitat: is the natural home of plants, animals, and other organisms

Conservation: is the protection of the natural environment including its plants and animals

Birdwatching List

Circle the birds you have seen in your town

American Black Duck

Green-winged Teal

Common Goldeneye

Lesser Scaup

Dark-eyed Junco

Fox Sparrow

Yellow-rumped Warbler

Black-capped Chickadee

American Coot

American Crow

Great Black-backed Gull

Black-legged Kittiwake

I help conserve habitat because...
