

Bonavista Municipal Habitat Stewardship Agreement

The Town of Bonavista and the Government of Newfoundland and Labrador signed a **MUNICIPAL HABITAT STEWARDSHIP AGREEMENT** in July 2013, committing to the conservation and enhancement of wildlife habitat within the town's planning boundaries.

Within a larger stewardship zone, the agreement designates the following 3 areas as protected areas, known as Management Units, totalling 826 acres: Beaver Pond, Long Pond Management Unit and Old Day Pond.
