The Town of Gambo and the Government of Newfoundland and Labrador signed a **MUNICIPAL HABITAT STEWARDSHIP AGREEMENT** in September 2001, committing to the conservation and enhancement of wildlife habitat within the town's planning boundaries.

Within a larger stewardship zone, the agreement designates the following 5 areas as protected areas, known as Management Units, totalling 2,082 acres: Gambo Bog, Gambo Brook Estuary, Middle Brook Estuary/Marsh Point, Traverse Brook Estuary, and Black Duck Pond.
