

# Bay Roberts & Spaniard's Bay Municipal Habitat Stewardship Agreement

The Towns of Bay Roberts and Spaniard's Bay and the Government of Newfoundland and Labrador signed a **MUNICIPAL HABITAT STEWARDSHIP AGREEMENT** in June 1997, committing to the conservation and enhancement of wildlife habitat within the towns' planning boundaries.

The joint stewardship agreement between the towns designates 192 acres of wetland and associated upland in the Shearstown Estuary as protect areas, known as conservation areas.
