

Come By Chance Habitat Conservation Map

Your town conserves wildlife habitat!

Do you know the road names?

Can you circle your school and find your house?

Can you circle the closest protected habitat (green blobs) to your house?

Map Legend

				
Protected Habitat	Ponds	Water	Town Boundary	Roads
				
Trails	Birdwatching	Town Hall	Library	School

Home Sweet Habitat

List or draw who/what makes this habitat their home

The S in SAM is for Stewardship!

Stewardship means to take care of the environment

Stewardship Checklist:

- Walking a Trail
- Finding a Geocache
- Talking about Wetlands
- Recycling
- Learning a Bird Call
- Birdwatching
- Picking up Litter
- Reading about Wetlands
- Composting
- Keeping Pets on a leash

Habitat Conservation and YOU

Say Hello to SAM

Stewardship Association of Municipalities works with **your town** to help conserve habitat for animals, birds, fish, plants, and you!

Habitat: is the natural home of plants, animals, and other organisms

Conservation: is the protection of the natural environment including its plants and animals
